Established in 1988, Allegiance Industries is your trusted partner for achieving unparalleled levels of productivity, employee morale, and compliance across various sectors. Specializing in janitorial, security, electrical, and specialized projects, we integrate Lean Methodology to deliver optimized solutions for manufacturers, including industrial, pharmaceuticals (including cleanrooms), food producers, mills, and beyond.

ENSURING AUDIT-READY FACILITIES AND ENHANCED SANITATION

With Allegiance Industries, your manufacturing floor, restrooms, offices, and common areas are expertly maintained to be tour and audit-ready every single day. Our commitment extends beyond cleanliness; we prioritize safety by ensuring all surfaces in common areas are fully sanitized, reducing the risk of COVID-19 and other illnesses. At Allegiance Industries we pride ourselves on upholding the highest standards of hygiene and readiness for your facility.

COMPREHENSIVE SECURITY SOLUTIONS

Allegiance's security services offer round-the-clock protection with on-site, uniformed security guards available 24/7. Whether you require armed or unarmed personnel, our dedicated team ensures the safety of your employees and the security of your property, providing you with peace of mind around the clock.

LOW & HIGH-VOLTAGE ELECTRICAL SERVICES

At Allegiance Industries, our electrical services are handled by our in-house team of expert electricians. From low to high-voltage systems, we ensure the safety and productivity of your machinery and electrical infrastructure each day. Additionally, our skilled professionals play a pivotal role in facilitating facility expansions, machinery additions, and production line reconfigurations, ensuring seamless execution and enhanced operational efficiency. Trust Allegiance for comprehensive electrical solutions tailored to your needs.

SPECIAL PROJECTS DIVISION

Allegiance Industries goes beyond standard services with our specialized projects division. From painting to ceiling cleaning and beyond, we deliver comprehensive solutions that not only enhance cleanliness and safety but also drive productivity gains. Trust Allegiance to handle all your special projects with precision and expertise, ensuring your facility remains in top condition while maximizing efficiency.

COST ANALYSIS & SITE SURVEY

Begin your journey with Allegiance Industries with a thorough cost analysis, followed by a comprehensive site survey. During this process, our expert team identifies janitorial, security, and electrical challenges throughout your facility, crafting a tailored plan to address them effectively. With our meticulous transition plan, coordinated by our onsite and regional management teams, you can rest assured that you'll receive the highest level of service from day one.

Our commitment doesn't end there, however. Allegiance provides ongoing support through daily and monthly reports, quarterly checklists, and monthly meetings to ensure open communication and maintain the highest quality service every single day.

Allegiance Industries doesn't just provide services—we give you back your time. Imagine the possibilities when you have our support. What could you achieve with that kind of help? Let's find out together.
